

Social and Personal.

DAFFODILS and lighted tapers, with a background of palms, formed effective decorations yesterday afternoon at 4:30 o'clock, when Miss Nannie Randolph Selden, daughter of Mr. and Mrs. Charles Selden, became the bride of William M. Habington. The ceremony, which was performed by the Rev. Robert W. Forsyth, rector of St. Paul's Church, was witnessed by only the nearest relatives and a few friends. Robert A. Lancaster, Jr., was the groom's best man, and Miss Elizabeth Rodman Selden was his sister's maid of honor and only attendant. She wore a gown of amber satin with an overskirt of cream Chantilly lace, and carried a shower of violets.

The bride, who entered the drawing-room on the arm of her father, by whom she was given in marriage, wore an exquisite gown of white satin, trimmed in real lace and crystal garniture, and carried a shower bouquet of lilacs of the valley and white orchids.

A reception followed the ceremony, to which only the most intimate friends and relatives of the bride and groom were invited, after which Mr. and Mrs. Habington left for New York, sailing on the steamship George Washington to spend some time abroad. They will be at home at "Windymere," on the Cary Street Road, on their return.

Guests from a distance included Mrs. Churchill J. Selden, of Memphis, Tenn.; Mrs. Hazard, of Buffalo, N. Y.; Miss Nanny Randolph Heth, of Washington; Mrs. Fred K. H. Robinson, of "Fall Hill," Fredericksburg; Mr. and Mrs. Simpson, of Philadelphia; Miss V. Connel, of Alabama, and Miss Selden, of Erie, Pa.

COMMITTEE AGREES
ON TAX ORDINANCE

License for Retailing and Shipping Liquor is Increased.

RAINS GREATLY NEEDED
Caucus to Nominate Officers for Elections in July.

Times-Dispatch Bureau.
Richmond, Va., March 30.

The Finance Committee, after a session of several hours last night, agreed on the license tax ordinance for the ensuing fiscal year, which will be presented to the April meetings of the Council for adoption. The committee meeting was open to the public, an invitation having been extended to all persons interested to be present and make suggestions. The ordinance agreed on makes several changes as compared with the present one.

The license tax for the privilege of retailing liquor is increased from \$250 to \$300, and that on mail order or shipping houses is doubled, or increased from \$250 to \$500. Pressing clubs are to pay a license tax of \$25 and plumbers \$100. Of course, the proposed ordinance is subject to amendments or changes by the Council, but it is believed it will pass as recommended by the Finance Committee.

There are some thirty-five or more saloons and mail order houses in Petersburg, with the probability of an increase in this number at the beginning of the license year.

The Church's Second Call.
The second call of Tabb Street Presbyterian Church to the Rev. Charles R. Strickling, of Waynesboro, Va., was made yesterday by James P. Banks and R. Randolph Jones, a committee of the church here. Mr. Strickling gave them no answer either way, but to the call under consideration. In view of the action of the Lexington Presbyterian Church on the first call extended to Mr. Strickling, it is a matter of doubt. Tab Street Presbyterian Church is one of the wealthiest in the city. It has had many able divines to fill its pulpit. It pays a good salary, and furnishes a fine home to its pastor.

Personal and Otherwise.
A. P. Hill Camp will send eight or ten delegates to the United Confederate Reunion in Mobile, April 26 to 28. The delegates will be sent via the Norfolk and Western.

A. P. Hill Camp, Sons of Veterans, will elect delegates to the reunion at the Norfolk and Western.

The Easter reception and dance to be given by the Riverside Club to-morrow night will be a social event of great interest. Many guests from a distance are expected.

The evangelistic services which have been in progress in the Second Presbyterian Church for the past ten days or more closed this evening.

Rains are greatly needed throughout the section. The roads are very dry and dusty, and the land is almost too dry for plowing.

The caucus of the two branches of the Common Council to be held on Wednesday of next week will make nominations for the various offices to be filled by election on the first of July. All of the present incumbents are candidates for re-election, and only three of them—City Engineer, City Engineer and Clerk of the Markets—will have opposition.

The Board of Supervisors of Prince George, at a conference held yesterday with local representatives of the Norfolk and Western Railway, granted permission to the company for its belt line to cross the county roads. The Old Crusian plank road will be crossed below grade.

Officers of the police station were rushed to Liberty Street in an automobile last night by a negro who was first thought to be a riotous proceeding. They found that Joseph Graves, a negro, was using his pistol pretty freely, shooting at one James Parham, with whom he had trouble. In the Police Court this morning Graves was fined \$500 and his aim was bad, and Parham was not hurt.

MADE MISTAKE IN BID.
Normal School Board Declines to Re-lease Contractor.

[Special to The Times-Dispatch.]
Fredericksburg, Va., March 30.—The contractor for the Academic Building for the State Normal School at Fredericksburg, claims to have made a mistake of \$4,000 against himself in his calculations when he submitted his bid, and he has requested the board to relieve him of the contract. The board, however, declined to do so, and has directed that a bond be given as required, and that the construction of the building proceed. It is probable that the concern will forfeit the amount of the bond.
